KE THE RIGHT CHOICE

FOUR IMPORTANT REASONS TO CHOOSE KE

KE
ENJOY THE OUTDOORS

BAT GROUP:

Thanks to KE's experience and strong organization, we are a leading company in the field of glass and shading products. KE is part of the BAT GROUP, a multinational company which guarantees positive synergies between materials, innovation and choices. KE is always investing in research in order to reach new solutions to improve functionality and elegance.

DESIGN:

The aim of KE designs is to achieve the optimal integration between the architecture and protection needs. Our design department is constantly involved in innovative research to add value and preserve the quality of the outdoor environment.

KE PATENTS:

KE offers innovative, operational and patented techniques. All the KE shading systems come from creative ideas which offer unique advantages in application and durability.

LONG-TERM INVESTMENT:

KE uses only the finest materials available from around the world to produce truly superior additions to your customers' home. Our advanced manufacturing and skilled craftsmanship technologies ensure KE customers will receive the highest quality products possible.

PROTECTION AND COMFORT FOR YOUR RESTAURANT GUESTS...

WIND PROTECTION AND BREATHTAKING ELEGANCE COMBINED INTO ONE SOLUTION

café au Lă

PROTECTION AND COMFORT FOR YOUR RESTAURANT GUESTS

Shelter your guests from all the hassles of outdoor dining. Cold winds, harsh weather and theft are just some of the negative elements that distract restaurant guests from dining or having coffee in an open air-environment. Café au Lă® windscreen provides protection against all these elements, making outdoor dining more comfortable.

Café au Lă® is the easily adjustable windscreen for restaurant terraces. Guests can decide the height they want of the windscreen, whether they want to have an intimate atmosphere or want to be a part of what is going on outside.

Made from aluminium, the standard design is equipped with laminated safety glass, both in the lower fixed part and in the height-adjustable part.

Open terrace or glassed-in restaurant? With [café au Lă](#) you do not have to choose.

Strategic advertising from every direction in your restaurant. Large glass surface offers branding space for your logo.

CIT i Lä

MAKE BETTER USE OF YOUR OUTDOOR SPACE.

With Cit i Lä® in your patio, you can enjoy more outdoor activities with your friends and family.

With Cit i Lä®, you have the option of an open veranda when the weather is nice and sunny. Just raise up the adjustable screens when you need protection from harsh weather and cold winds.

Flexible and easy to use, the glass screen can be raised and lowered with a simple grip.

Made from aluminium, the standard design is equipped with laminated glass, both in the lower fixed part and in the height-adjustable part.

Open terrace or enclose your glass screen with one of our Gennius units.

GLASS SCREEN

FEATURES & BENEFITS

DIMENSIONS:

- Panel Height Std/Extended:
36"/60"
42"/72"
46"/82"
- Panel Width:
Customization of panel widths. Please call your
Regional Manager for further information

Fixed Overhead Glass — When you invest in an overhead glass, you are extending your season. Seals the gap between the roof or awning and your glazing as well as between the panes.

Winter Seal Strip — Extends the season into colder seasons.

Corner Post — Improves the look and makes the glazing more solid.

Door — Create a view with a door. Available with locks and door stops.

Hook— Allow your guests to hang their coats or bags

Menu holder — Frame for menu or information sign.

Flower boxes — Made to any size to fit your own outdoor serving area or glazed porch.

Patterned Glass — Designed glass partitions for a more personal look.

- **HEIGHT ADJUSTABLE**
 - **LOCK OPTION**
- **ALUMINUM FRAME**
