GLASS SCREEN

WIND PROTECTION AND BREATHTAKING ELEGANCE COMBINED INTO ONE SOLUTION

Shelter from all the hassles of outdoor living. Cold winds and harsh weather are just some of the elements that distract us from relaxing in an open air-environment. The Glass Screen adjustable windscreen provides protection against these elements, making outdoor living more comfortable and enjoyable. This adjustable windscreen provides atmosphere and enjoyment for outdoor relaxation.

• ACCESSORIES:

Fixed Overhead Glass — When you invest in an overhead glass, you are extending your season. Seals the gap between the roof or awning and your glazing as well as between the panes.

Winter Seal Strip — Extends the season into colder seasons.

Corner Post — Improves the look and makes the glazing more solid.

Door — Create a view with a door. Available with locks and door stops.

Hook— Allow your guests to hang their coats or bags

Menu holder — Frame for menu or information sign.

Flower boxes — Made to any size to fit your own outdoor serving area or glazed porch.

Patterned Glass — Designed glass partitions for a more personal look.

INTERIOR SCREENS — COOL YOUR SPACE, REDUCE YOUR HEATING BILL, CREATE ENERGY EFFICIENCY
