THE BENEFITS OF DOMINA

- A sophisticated awning system with classical design, Domina integrates easily into all styles of architecture.
- Full cassette design protects awning fabric from exposure to the elements.
- Rotational pitch adjustment from 0 to 80 degrees allows for optimal and convenient adjustment of the cassette housing.
- Belt arm technology dramatically increases cycle count lifespan and durability of the system.
- Easy, time saving installation with lighter weight design, variable mounting plate size option and reduced profile height.
- LED lights are available on all projections.
- Motorized or manual operation.
- Limited Lifetime Warranty
