

KE's Triumph awning allows for a maximum projection of 15' 11". That provides a massive 480 square feet of shade in an awning that can go to 24' in width. Available with optional motorized drop valance up to 15' 1", Triumph has you covered from every sun angle.

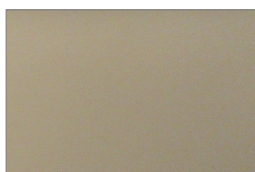

For even more flexibility, Triumph can be mounted on a wall, soffit or roof in order to maximize vertical height when desired.

THE BENEFITS OF TRIUMPH

- At 15'11" the Triumph is the largest projecting lateral arm awning
- Ability to create up to 480 square feet of cool shade
