

# KE: The Real Deal

## Six reasons to choose KE

Experience, quality and innovation have made KE an industry leader in outdoor shading products. With the widest range of products under one single brand, KE is the right choice for all your outdoor spaces.

### DESIGN AND CUSTOMIZATION

All KE products are custom manufactured to meet your requirements.

### INSTALLATION AND SERVICE

Nationwide dealer network.

### ITALIAN DESIGN

KE products are designed in Italy by engineers and designers with decades of experience.

### MANUFACTURING

Three US production facilities can meet all of your requirements.

### INNOVATION

KE holds 36 patents for design and innovation.

### QUALITY

KE has earned multiple worldwide certifications for quality.
