

TOPAZ

KE

Topaz retractable, drop-arm cassette window awning is perfect for windows up to 16' wide. The spring-loaded arm guarantees fabric tension for a smooth, finished appearance. The awning can be dropped to a 160° position, just short of vertical, while allowing some light in from the open sides.

The sleek design of the front rail fits flush against the cassette housing for a more elegant and compact appearance when the unit is closed.

Onyx is an open-roller, drop-arm window awning available in widths up to 40'. A spring-loaded arm maintains tension for a smooth fabric surface. The arms can be dropped to a 160° position, just short of vertical, while still allowing light to enter through the open sides of the awning. An optional hood with side covers is available to protect the closed awning from the elements and provide a beautiful, finished appearance.
